

## **PUBLIC SERVICE ANNOUNCEMENTS**

### **PSA 1**

There are men and women working hard all year to keep our community clean, safe, and beautiful. They protect our environment, help prevent disease, and make all of our lives easier. The week of June 17th is the time for us to come together and collectively show our appreciation for the men and women of the waste management industry. Join us in saying "Thank You" on National Garbage Man Day. Saying thank you can be as quick and easy as calling your local provider with a word of thanks and appreciation. For more ideas on how you can celebrate National Garbage Man Day, visit [Garbagemanday.org](http://Garbagemanday.org) today.

### **PSA 2**

If trash littered our streets and yards, you'd notice. If street drains were blocked with discarded refuse and waste filled our waterways, you'd notice. Join us in taking a day to notice the men and women of the waste industry who keep this from being our reality. Say thank you during the week of June 17th, when we celebrate National Garbage Man Day and recognize the men and women who keep our community clean and safe. Saying thank you can be as simple as meeting them at the curb with a bottle of water and a thank you note. For more ideas on how you can celebrate National Garbage Man Day, visit [Garbagemanday.org](http://Garbagemanday.org) today.

### **PSA 3**

What if we all spent a day getting as excited as children do when they see the garbage truck coming down the street? The week of June 17th is the time for us to show our appreciation for the men and women of the waste management industry who work hard all year to keep our community clean, safe, and beautiful. We're celebrating National Garbage Man Day and we want you to join us. Consider meeting your provider with "Thank you" treat like a plate of cookies or a cold bottle of water. For more ideas on how you can celebrate National Garbage Man Day, visit [Garbagemanday.org](http://Garbagemanday.org) today.
