

## WASTE & RECYCLING WORKERS WEEK

### How to Celebrate Waste & Recycling Workers Week

We would like to thank you for your purchase to help celebrate our local waste & recycling workers the week of June 17! To prepare your greeting card, just follow these simple directions:

(You don't have to be home to thank your waste & recycling workers. Simply follow these instructions on your day for garbage and recycling pickup and they will receive your gift.)

1. Print out a copy of the card.
2. Turn the card so that the back side (the side with numbers 1 and 2) is on the lower left.
3. Fold along line 1, so that the number is still visible.
4. Fold along line 2, so that the number is still visible.
5. Tape the card to your garbage can or recycling bin as you place it on the curb, making sure the card can be seen easily.

Along with this thank you card, there are many other ways you can help us thank our proud waste & recycling workers!

Call your local waste management office and tell them how much you appreciate them.

- Consider taping the card to a bottle of water to quench their thirst.
- Bake some tasty goodies for them, such as cookies or muffins.
- Buy them a gift card.
- Download our free PDF coloring book and have your kids make a drawing for them.
- Buy the Waste & Recycling Workers Week T Shirt to show your support.
- Help spread the word to neighbors and friends by liking the Waste & Recycling Workers Week page on Facebook.

**Thank you so much for celebrating Waste & Recycling Workers Week with us this year!**

# Happy Waste & Recycling Workers Week!

THANK YOU!

This week is Waste & Recycling Workers Week! That means I get a chance to say thanks for all the hard work you do everyday to keep my community looking (and smelling) great! I really appreciate the work you do to keep our community clean and safe.

WASTE & RECYCLING  
WORKERS WEEK

You put the “extra” in “extraordinary.”  
Thank you for all you do!

**Happy Waste & Recycling  
Workers Week!**
